With reference to the marginally noted remarks of the Secy on Shimoga Presidents' etc 936/71 dated 27 April 1901, it is submitted that the Municipal Board is not competent to condone the absence of a member or to appoint another. ~~In this instance the Board has only resolved to recommend to Govt the condonation of the absence of a member & for Govt order Social 1930~~ The orders on the subject are:-

Para 3 of Govt order

2nd April 1899 lays down
that the Board can only nominate
person & recommend his appointment

to Govt for sanction, but in Pro: No 12483-92 dt 17-96 of 16th March 1901 the Govt have declared that the Board has nothing whatever to do either with the appointment of nominated Members or with filling up vacancies among them. This latter order which was passed in connection with the Mysore City where there is a Special Regulation has been communicated to the Presidents of the Municipal Boards & it is therefore doubtful whether the same applies to the Municipalities.

I am not sure that there is not another order on the point; but the last order is clear. There is

No reason to restrict it to Glyndebourne, for we have applies to that place applies in this particular matter to other Municipalities which have less powers. I believe it to be the recognised usage for vacancies to be filled up & absences condoned only on the recommendation of the President.

The matter is submitted to the 3rd Cr for determination — with the ~~intro~~ file containing the Chairman's letter & the Secretary's report.

From the Proceedings
record above, it is clear
that the Municipal
Board of Shimoga
has nothing whatever
to do with the condonation
of the absence of members
from Meetings of the
Board or with the appoint-
ment of members.
It is the President
who has to submit
his recommendation
for the orders of Govt.
in either case, ~~as already~~
~~ruled by Government~~.
In the present case, the President's
~~The present~~ recom-
mendation is approved
~~recommendation will, however,~~
~~be approved~~ with the
reservation that such
proposals should in future
be made by ~~the~~ this
~~President~~, without reference
to the Board

The President's recommendation is sanctioned, with the ~~view~~ that as laid down in Proc. No. 1584-93 dated 31 May 1894, it is the duty of the Commissioner to submit such proposals himself; and that in such cases and in cases of ~~making~~ making new nominations, the President should act on his own responsibility, and not place the matter before being disposed of by a meeting of the Board concerned

~~This is another instance of~~
~~approval~~

"It is also observed that in cases, where a change of members is intended among those whose 5 years' term of office expired, it would be ~~awq~~ awkward for the Board to nominate successors, while the former members are in the Meeting. If is necessary that, in such cases, nominations of successors should ~~in this case be~~ be made by the President himself and before time expired members vacate their seats on the Board.
